

CEO UPDATE

AUGUST 2019

News You Can Use

How did it get to be August already?

Earlier this month, I visited with CMAA Ohio. A shout out to Eric Campbell and Brittany Parr for hosting me, and to the rest of their team for the terrific tour of Rocket Mortgage Fieldhouse. This project has a tight timeline (ribbon cutting on September 23; basketball in October) and they will make their deadlines. For those of you keeping track, this was chapter visit #24 – just five to go, of which four are scheduled.

Not only has the summer flown by, but the CMAA 2019 National Conference & Trade Show is only a month away.

We have a lot planned and I look forward to seeing you all there. In addition to three keynotes, 50+ education sessions, the trade show, and plenty of networking time, we will honor and celebrate the achievement of 15 outstanding projects, induct two new Fellows of CMAA, recognize individuals for their commitment to certification, education, sustainability, diversity, and the profession, and we will also recognize Linda Phillips, CCM, formerly of the General Services Administration, as the 2019 Person of the Year.

Of special note, I'll be speaking at the International Conference on 21st Century Construction in early September. This is a great opportunity to talk about the value of construction management, the importance of early engagement, and the future of the profession with an international audience. I'm looking forward to it.

Reminders

- Ack! You missed the Early Bird deadline for the CMAA 2019 National Conference & Trade Show. Don't worry! You can still [register](#). Do it today!
- MCX launched last month – you've probably already seen it. Did you know that by updating your member profile, you can receive articles and messages more closely aligned with your interests? It takes five minutes. [Login](#) and do it now.
